That is totally fine with me. Claudia and I spoke earlier and she cleared up some of my questions that I had earlier. Thanks so much for helping and looking through the reg. Really appreciate both (and now all three) of your help on this!

Colin

**Subject:** OOOOa

Hey Alex,

Brad Sohm from SWCA might contact you about OOOOa applicability for a facility. The permit has 6 compressor stations as requested by the facility all wrapped into one permit. They will be adding an engine to one of the facilities where we are interpreting this to be OOOOa applicable- under the permit, all 6 compressor stations would then be subject to OOOOa. He might be fishing for responses that support his thoughts of non-applicability. Let me know if you have any questions or want to chat.

Thanks,

Colin C. Schwartz  
Environmental Scientist
